**K.C. Felt**

I serve as a current board member and am continually learning and training. In addition, I have attended the NCUA Board Member conference for additional training and skill development to better serve our members and have a broader understanding of the credit union.

In the current financial environment, skilled board members are critical to assist our management team in providing the best service, products, and leadership for our communities as well as our staff and particularly our members.

As a lifelong member of the Pocatello community and a credit union member for more than 30 years, I know firsthand the value of Lookout Credit Union as a positive agent for progressive vision, change, and support for our area. I'd like to continue serving and would greatly appreciate your vote.

It has been a pleasure to serve the members of Lookout Credit Union as the Supervisory Committee Chair for the past 4 years. This position has allowed me to play a role in the ever-changing rules and regulations of the credit union industry. I've seen firsthand the dedication and hard work of the Lookout CU Family, including Board members and the Supervisory Committee, to deliver an exceptional financial experience, enrich the lives of our members, and benefit our community partners.

As the Director of Finance at the Idaho Farm Bureau Federation, a non-profit membership organization, I oversee the finance and accounting, business systems, and auditing functions. My joy comes from seeing our members make meaningful impacts in their local communities across Idaho.

I am grateful for my wife, Amy, of 22 years, our four children, and our daughter-in-law. I am running for the Board of Directors and would appreciate your consideration.

Being part of an organization committed to improving our communities and supporting the people within them has been deeply rewarding. Together, we have worked to enhance services, foster financial well-being, and create meaningful opportunities for our members.

I am excited about the future of Lookout Credit Union and would be grateful for the opportunity to continue serving our members and advancing our shared mission. Thank you for your support.
